

Can't get the order and structure just right?

Having trouble clearly defining *as-is* and *should-be*?

Endlessly struggling with gaps and errors?

Ravenflow can help. Introducing WOW! Platinum Support: Narrative Copy/Edit Service

Ravenflow's award-winning visual requirements definition solution just got a whole lot better. Not only do you now have the industry's fastest, easiest solution to define clean, clear requirements, our WOW! Platinum support also provides you with a team of experts who will review and edit your process narratives **any time you want, as often as you want.**

So whether you're having difficulty structuring the process, or you can't get the language quite right, or you're simply having trouble fixing gaps and errors, you can turn to us. Better yet, we don't just fix your narratives, we ensure you understand the fix, providing you with the valuable feedback you need to continuously improve.

Rev up and ramp up

Success feels good. Have more consistent success with all your requirements definition and process discovery projects with WOW! Platinum Support. Allow Ravenflow to:

- ⑤ Identify logic errors in process narratives
- ⑤ Identify inconsistent use of terms
- ⑤ Make suggestions for restructuring the narratives
- ⑤ Help with language issues that result in incorrect models
- ⑤ Accelerate the language learning curve

We don't just fix the text, with narrative copying editing we help reinforce requirements best practices at the same time!

No pain, all gain.
